A Discourse by Beloved Goddess of Liberty
through Mr. G.W. Ballard,
read by Mrs. G.W. Ballard on her Radio Broadcast

Mrs. G.W. Ballard: The Cosmic Moment has struck, Beloved Ones in America, when the Ascended Masters call you to Victory and Freedom in the Light. It is my very great privilege to repeat the Words of the Great Cosmic Being the Goddess of Liberty, whose Symbol, the Statue of Liberty, stands in New York City's harbor. She flashed Her Words of Living Light before Mr. Ballard who repeated them to thousands of Students present.

There is nothing psychic nor spiritualistic about the Ascended Masters' Dictations in any way. They are the Action of a perfectly natural law which all mankind will one day come to use as easily as you now use the telephone. The

following are the Goddess of Liberty's own Words which are "Cups" of Her Ascended Master Consciousness, Energy, Power, and Light. The Dictation was given at Philadelphia, October 29, 1937. I quote:

(Beloved Goddess of Liberty:) From out the Eternal Glory of the Kingdom of Light comes forth now the Blessing which it is My privilege to pour forth to mankind and the Earth in the capacity in which I serve. If you who have the privilege of understanding and knowing your own "God Presence," the "Mighty I AM," will still and harmonize yourselves enough, your world, your minds, and your bodies will be flooded by the Power and Intelligence of your "Presence." If you will do this, there will be not one single thing confront you for which you will not know the solution instantly. You will be able to release the Power to dissolve or accomplish it—whichever the requirements might be.

Beloved Ones, in this magnificent opportunity before you, do not longer allow your human concepts to deprive you of the Intelligence of your "Mighty I AM Presence" which you can call forth. It will flood in and through you, and bring forth new ideas, new solutions of the problems of mankind which are needed so much today. The right solution to all problems will come forth as the great change takes place, and it is on its way so rapidly now. When that great change is over, individuals everywhere among mankind will reach to each other's own "God Presence" and receive direct, Its Mighty Directing Intelligence unadulterated by human qualification. Then will the Perfection and Glory of the Light of God find Its Dominion upon the Earth through the people, and the Golden Age will reign upon Earth.

There will be no imperfection of any kind. No longer will there be struggle among humanity; and instead of anyone criticizing or judging another, all will turn to the "Mighty I AM Presence" and call forth Its Perfection. As Its Radiance goes forth, everyone within It will feel the Assistance, the Power he requires. It will clothe the individual, too, with Its Strength to do likewise. If you will use your imaging faculties while I am speaking to you and make your mental picture of the Perfection which you want to fill your world, then I shall release from the Cosmic Light the Quality, Power, and Action to assist you to have the Freedom and Power which you so much crave.

Beloved People, do you realize that every person who has turned aside from this Stream of Light is making himself a claw of the sinister force, to try to prevent America's Freedom through trying to draw people away from this Stream of Light? It is not an individual thing. When they turn from the Light, they have joined the destructive forces of human creation to prevent America's Freedom.

I say to all those human conditions, "You have no Power! You shall not move upon the face of the Earth nor the feeling world of mankind!" With every individual, destructive things within their feeling world cannot leave them until the Violet Consuming Flame consumes and annihilates those destructive creations forever. No longer shall human beings pour forth destructive qualities to interfere with others who want their Freedom and are calling for It so powerfully. No longer shall those destructive conditions reach out like the tentacles of a great octopus, touching the feeling world of individuals to make them shrink from going forth in their dynamic Application and glorifying themselves in the sustained Freedom of God.

We are dealing with Mighty Powers, Beloved Ones. You are dealing with Mighty Powers. It is not human imagination. This Power of Light which governs great Universes everywhere is now coming to give mankind on Earth Its Assistance. It is no respecter of persons, places, conditions, nor things. It is moving into the Earth with Its Mighty Purifying, Dissolving, Consuming Power; and mankind shall give obedience whether they wish to or not. It is no longer a matter of human opinion. It is a matter of the Activity and Movement of the Cosmic Dominion once again after century upon century of limitations which mankind has built around itself.

Realize with Me for a few moments your great privilege. As you issue these Decrees calling on the Law of Forgiveness for all mankind, do you understand what a magnificent privilege and opportunity it is to do that? Do you realize that you, one of humanity, have the Authority to call into action the Greatest Cosmic Power in the Universe to set the rest of mankind free? One of you has the Power to call that Infinite Power into action. Then think what a mass of mankind, nearly half a million people, could do in calling that "Great I AM Presence" into action!

Do you understand that you have entered into a great Stream of Light which knows no limitation but knows only the Victory of Its Power? Think of it! Just as you, individually, call this Power of Light into action in and through your human form, and the Light floods in, through, and around you sweeping out all imperfection, so in your Call for America does the Great Light sweep in just dissolving and consuming all unlike Itself; for It knows no opposition. It moves into action with Its Infinite Power, and all unlike It dissolves before It.

Try to feel this Action in all your Application for your individual self and for America. Then you will have entered into the greatest Stream of Energy possible in Its Mighty Action to set you and all about you free. I say that one of you in this audience in such a great Call to your "Presence," even though no other one was making that single effort, still you could release the Power to give Freedom; for as you drew down the Light and It swept into your body and out into the room, the Power in your own Radiance would go forth to bless everyone in this room with Its Infinite Power and Action.

Do you realize, Beloved Ones, your Infinite Power to call forth this Light, to let It expand and do Its great Purifying, Blessing Service for all, for your environment, your city, and America? Think how great is the privilege that is yours now in the Action of the Great Cosmic Light which knows no person, place, nor condition; but which at your Call moves into action, dissolving everything before It which is unlike Itself, replacing that which was limiting and imperfect with the Perfection and Power of the Infinite Light Substance, and producing Its Perfection for you.

The greatest privilege ever known on Earth is yours today. Oh, feel it! Feel it, Beloved Ones, in the Infinite Power of the Light which is your Life; for without your Life there would be no human forms here. Why do you suppose you are residents of Philadelphia? Why do you suppose you who are residents have become interested in this Great Light? Because of your privilege of Service, you are gathered about the Heart Center of the first Independence in America. Then you should all rejoice with a Power indescribable that it is your privilege to say to all human appearance, "You have no power! 'Mighty I AM Presence,'

flood Philadelphia with Your Infinite Power and Action, with Your Light Substance! Cleanse, purify, and hold it within Your Ascended Master Obedience of the Light for every human being, that the Fullness of the Infinite Power of Light once started here many, many years ago may find Its Full Dominion!"

Thus you can assist in the avoidance of the third episode of Washington's Vision shown so near your city. Think of it! These are sacred spots upon the Earth, Sanctuaries of Light. Your Independence Hall and the building wherein I gave Washington that Vision are two of the greatest spots in your eastern country. Never forget Them. They are Sanctuaries of Light which will throughout the ages hold in Guard those Pillars of Light. Mankind is so prone to think and feel deeply for the moment, and then tomorrow the attention of the outer world has caused the people to forget these Sanctuaries. No true American should sleep at night without a moment's gratitude to those two great points of Light in your America, Independence Hall and Valley Forge. Once again there will come to both, the Glory of Light in Its enormous Expansion that gave Assistance then. Today It will give such great, Infinite Assistance, infinitely greater than man, that all the world may know the meaning of the first efforts of America and Her Great Freedom.

You think you love your Flag, then how much greater is My Love? Do you realize what that Flag represents to Me? It is the Freedom and Liberty of Earth. No other flag in the whole world answers the same Call as your wondrous Glory. I shall not call your Flag "Old Glory," for It is the Glory of Eternal Youth brought into action in your America. I love that Flag. I love Its people. All that is within the

privilege of My Being to execute shall be done to render the Assistance to America that glorifies Her people and causes them to feel the loyalty, the determination, the privilege that it is to serve the Light. So bless your Flag forever and remain in the Service of the Light. For

"The Light of God Never Fails!"
"The Light of God Never Fails!"
"The Light of God Never Fails!"
And the "Mighty I AM Presence" is that Light!
